GENERAL FUND REVENUE OVERVIEW

This budget is built upon the January 2026 official consensus revenue forecast, adjusted for anticipated changes in tax policy, of \$2,539.76 million in addition to other General Fund revenue sources of \$128.91 million. This budget also relies on carryforward funds from fiscal year 2026 in the amount of \$70.95 million, bringing total General Fund sources to \$2,739.62 million.

BUDGET CONTEXT

This budget fills all statutorily-required reserves, meets all pension obligations, and makes essential investments in health care, human services, housing and economic development, education, public safety, and the environment.

To develop this budget, the House Committee on Appropriations worked with administration officials, standing committees, and many interested stakeholders, including members of the public and legislators who testified at public hearings or submitted written testimony. General Fund appropriations total \$2.55 billion. \$219.18 million is transferred to other funds and reserves, including a one-time \$104.90 million transfer to the Education Fund.

Total appropriations from all funds (unduplicated) are \$9.33 billion.
